Trustee Baker asked if we are allowed to run off-road fuel in the equipment and Mr Doup answered yes. Mr. Doup also noted that they would be willing to provide a 300 gallon tank and pump for the township so that the township can purchase off-road fuel for the equipment to save the tax dollars spent on on-road fuel they are currently using. He could also set a new tank at the township hall for propane and is willing to give the township a locked in price for the 2020/2021 winter months.
