Larry Finkes explained that Licking County Engineers Department told him that the driveway they wish to replace the culvert in was never permitted. They are currently waiting for the County to let them know if they can replace the culvert. Larry explained the driveway has been there for 50+ years. They were also informed that if bigger than a 12" culvert is needed they may have to go with galvanized or concrete.

Eric Landis is concerned about Baker Road South where the asphalt meets the chip & seal, there is a substantial dip that needs to be leveled out. Trustee Baker said we may be able to fix with the dura-patcher once we have liquid. Until then they may try some 411 limestone. Trustee Baker asked Mike to take over some 411.

Harry Farley asked if the trust CD for the cemetery could be used to purchase a mower if the township does not find anyone to contract with for the 2023 mowing season.

Trustee Baker has spoken with some people in regards to mowing and has gotten one quote for \$1020.00 per week for everything. He is also talking with Mowtivated Mowers to get a quote from them. He was also thinking of talking to Bladensburg and see who mows their cemetery.
