Old Business

Dave talked to soil and water it sounds like they really don't do a lot of what we are asking about. Not sure if we will pursue anything from them.

The truck is not usable remove it from the insurance, also remove the roller as it has been picked up. Looking for a truck but not found anything yet.

Roof repair was started on 5/22/2026. We will pay the invoice and insurance will send us a check minus our deductible.

Evan Dugan will spread salt on the roads.

New Business

Relist the mower -\$500

Resolution for 1 mil levy on fire to go on the ballot in November. This is a renewal levy.

Resolution to adopt a cyber security policy.

Trustee Dunlap made a motion to put an ad in the local newspaper to accept bids on road work in the twp using the loan money we will be receiving.

Trustee Baker 2nd, all in favor, motion passed 3-0

Resolution amending the loan amount from 400,000.00 to 402,000.00.

Fiscal Officer Dawn Nelson had a citizen call about doing Wreaths Across America for Eden Cemetery. I am going to look into how many veterans are buried there and get back to the lady I have been speaking too. The township does have 2 other cemeteries and I need to see if they would be eligible as they are older cemeteries.
