Hearing of the Public

Blacksnake road residents are happy with the repairs that have been made on
the road.

Signs that Beau uses for the roads are not the best. They did find some in
the shop that are better and we will be using them from now on. There was
a small discussion on facebook about the signs being used and not very
visible. We discussed that if there is an issue to contact a trustee and we will
discuss it and fix the problem if possible but we will not discuss township
business on facebook.

Clarified that Swick-Holton Rd will be getting chip and seal on the top and
both sides of the hill.

It is recommended that the meeting be adjourned
