Old Business

New mower is arriving July 9th 2025.

Repair of tractor – Insurance is probably not going to pay for the repair, Dave is waiting for an email/call back from the insurance. Once we hear from them if they are not paying anything we will pay the repair bill immediately.

Grader is working better

New Business

Waste Management called Dave. Wanted to let us know that pick up after a holiday would occur on the Monday following and not on Saturday so they

do not have to have people working on the weekends. Wanted to know if they thought that would be a problem. Dave told them it is fine.

Blacksnake Rd: what are we doing to clean up the area on the road, something needs done it needs dug out and stone put in.

Mary Ann Fire was here. Gave stats on Fire and EMS runs. Also talked about some new employees starting. They are getting ready to flush hydrants on Loches. Talked about repair of some hydrants. Fire funds can be used for repairs. They have had a good return on facebook post about getting address signs. Address signs are \$30. Want to get more people to make sure fire and ems have access and can get down driveways in emergency situations. During an emergency it is too late please plan ahead.

Last night a tree was down on Harmon Rd. from the storm. This was about 8:30. Got it cut up and moved out of the way. Will pay as soon as we get the bill, probably tomorrow.

Has the septic been pumped? Not yet, called All-Star Septic they have not forgotten us.

Road Report: Beau Liming

Blacksnake, Swick-Holton, and Camp Ohio Roads – Culverts fixed

Pay Bills – Trustee Dunlap made a motion to pay bills, Trustee Baker seconded, all in favor, motion carried. While doing bills it was brought to my attention that Beau's pay rate was incorrect due to an increase in his wages as of June 1st. I was unaware of this and told him I will fix it in the system and cut a check for the difference this evening and it would be ready for him tomorrow. Beau also asked about direct deposit and getting paid every 2 weeks. I asked him to give me some more time to figure out the direct deposit and that starting in august he would get paid every 2 weeks and I would make a payroll calendar for him.

Motion to adjourn by Trustee Dunlap. Trustee Laughman seconded, all in favor, motion carried.

Next meeting is Monday July 28th, 2025 at 6:30pm
